

Adventz to build Tel Aviv LRT

KOLKATA: Adventz Group, the Indian conglomerate, has signed a \$2-billion-plus memorandum of

understanding (MoU) with Israel's Lesicogroup to collaborate in the light rail transit (LRT) projects in Tel Aviv and Jerusalem. The announcement came in the backdrop of Prime Minister Narendra Modi touring the nation currently.

The MoU between Lesico with Adventz Group will be a first for an Indian conglomerate with Group company Texmaco Rail & Engineering
