Texmaco Rail inks MoA with Korean firm

Kolkata: Texmaco Rail & Engineering Ltd has signed a Memorandum of Agreement with Sampyo Railway Co. Ltd of South Korea for technical collaborations. Sampyo Railway Co. is involved in railway infrastructure, logistics, and R&D.

A Texmaco official pointed out that this collaboration focuses on the development and advancement of the Railway Turnout System, a component in the railway track sector. The company has stated that this strategic association aims to set high industry standards and deliver heightened value to the Railway Turnout System. Sudipta Mukherjee, Deputy Managing Director, Texmaco Rail & Engineering Ltd said, "This collaboration embodies our dedication and support for the growth of the Indian Railways." TNN
