

On Tuesday June 10, 2025, the Honourable Chief Minister of Maharashtra, Shri Devendra Fadnavis, initiated the launch of the National Common Mobility Card (NCMC) for Mumbai Metro Line 3, known as the Aqua Line, aiming to integrate the city's public transportation networks.

Texmaco Rail and Engineering Ltd. has implemented the comprehensive Automatic Fare Collection (AFC) system for Mumbai Metro Line 3.

The contactless RuPay NCM card, operational from Wednesday, June 10, 2025, facilitates seamless travel between stations on Metro Line 3, stretching from Aarey JVLR to Acharya Atre Chowk, eliminating the need for passengers to queue at ticket counters. This card is fully interoperable with other significant Mumbai Metro lines, including Line 1, Line 2A, and Line 7, as well as other transportation systems such as Chalo Buses, thereby offering a streamlined multi-modal travel experience across the city.
